

TIME SOLUTIONS

TCX-22 Series

Portable Electronic Time Recorder

- Exceptional choice for remote location applications
 - 5000 prints or one week normal operation on a single battery charge

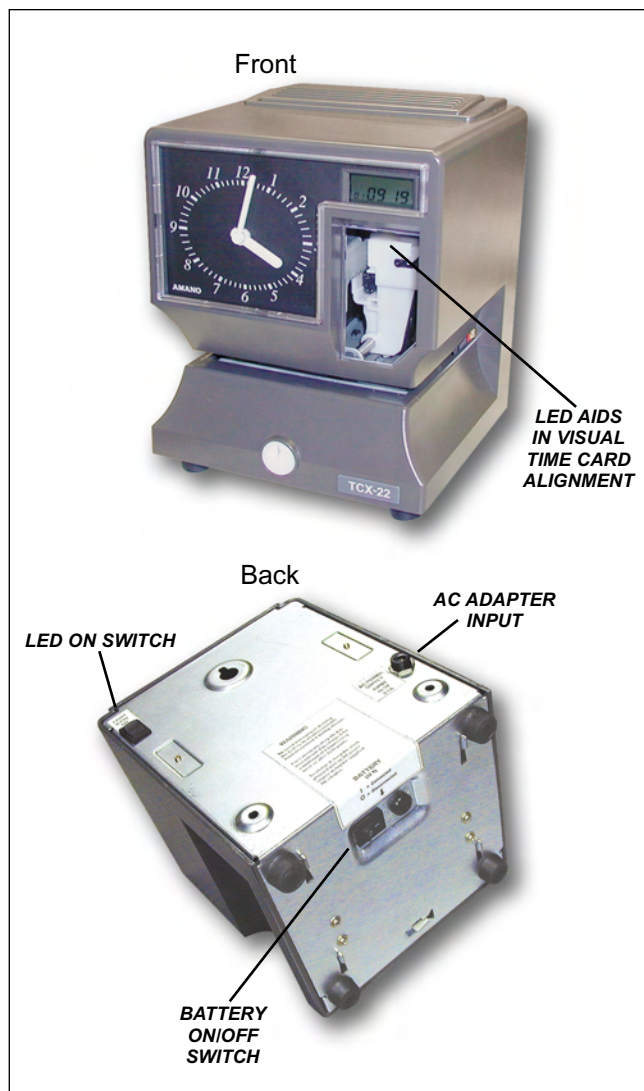

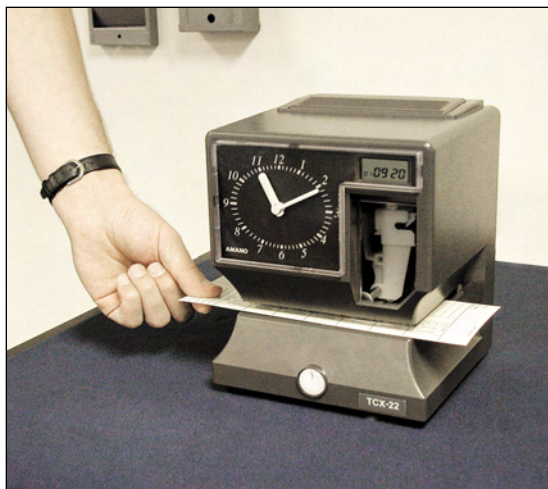

Benefits/Advantages:

- Easy to use, accurate, efficient.
- Sealed 12V rechargeable battery for portability.
- Battery or AC adapter operation.
- Large, easy to read analog clock face and digital date display.
- Perpetual calendar automatically adjusts for Daylight Saving Time.
- Selectable print options: prints AMIPM or military (0-23) time - minutes, 10ths or 100ths.
- Maintains time and date settings in event of power failure.
- Secure key cover lock.

Portable, Long-life Operation Design Suits Remote Applications Like Special Events, Construction Sites, etc.

Engineered for value, simplicity and durability, the portable Amano Cincinnati TCX-22 Series electronic time clock offers on-the-go reliability for local and remote applications.

The rechargeable 12 Volt battery maintains normal operation for one week and/or 5000 prints, making the unit ideal for use in facilities without AC power available.

When you want standard electric power, simply connect the AC adapter into a properly grounded 120 Volt outlet. The TCX-22 accommodates the most popular time cards.
