

AMANO®

PARKING SOLUTIONS

The AGP-6800 Series Pay Station is finding wide acceptance in unattended facilities providing an economical method to offer additional payment locations in the exit lanes of a facility. Operating 24/7, the pay station accommodates transient, discount, service, store validation and other processes easily and efficiently. It automatically calculates the parking fee from time of entry to time of departure.

Typical Exit Pay Station System

BENEFITS

- ▶ Utilizes manpower more efficiently
- ▶ Increases profitability
